Summer 2026

Dear

I recently found myself in a churchyard and as I walked around the graves reading some of the epitaphs, I was moved to come across the grave of two young men. Twins. 22 years of age. They died 16 days apart in 1916 during the First World War. I found my heart aching for their parents as I read the details. And then, at the foot of the gravestone were these words;

"Over the River Jordan they did not fear to go."

In that moment I felt a spur in my spirit. Here I am, 110 years after their deaths, reading about their lives, and their faith in there being something more to life is provoking me to press on. Indeed, as I pen these words, I read from my devotional time this very morning;

And I heard a loud voice from the throne saying, "Behold, the dwelling place of God is with man. He will dwell with them, and they will be his people, and God himself will be with them as their God. He will wipe away every tear from their eyes, and death shall be no more, neither shall there be mourning, nor crying, nor pain anymore, for the former things have passed away." (Revelation 21:3-4)

Eternity hangs in the balance for many. I spoke with an Uber driver this morning. He "believes" but is unsure of heaven. Oh, what a privilege to point him to The Way, The Truth, The Life… Jesus. Nothing more. Nothing less.

As you read the following pages, I hope you catch the pure Gospel focus, and that the testimonies herein are a spur to your spirit. We don't want to be about anything else. Just Jesus.

As ever, thank you for standing with us in prayer, finance, and in going with us. We dare not run alone. We need your partnership.

With blessings,

Martin

EUROPE ABLAZE WITH THE GOSPEL

...has been the God-given vision of K180 since He called the ministry into being.

God continues to bless us with opportunities to serve His work across Europe. The pins on the map show the countries where ministry has taken place in the last 11 months, and the work continues in many more. You can read more about how God has been changing lives in the pages that follow.

All this is made possible by the partnership in the gospel of individuals and churches. We are enormously grateful for this and hope that as you read about what God is doing through the work of K180, you will be encouraged to continue to pray, give and go!

Stay connected with all that God is doing through K180!

We're actively sharing the Gospel and posting updates so be sure to follow, like and share to help spread the word.

THE WORD ON THE STREET

On 23 May 2026, K180 was delighted to lead 'The Word on the Street' marking 500 years since William Tyndale first published the New Testament in modern English and began placing the word of God into the hands of everyday people for the very first time.

"I'm inspired by the story of William Tyndale, so impassioned and so enamoured with the idea and vision of spreading the Bible in the English language that ordinary people would be able to access the word of God. And so I'm here just to be able to honour that legacy and to share the Bible because I believe it is the word of God and it is the most significant message the world could ever hear."

(Nesu, participant)

This historic event was a beautiful picture of the Church united in purpose as hundreds of believers gathered in Trafalgar Square, central London, silently reading and giving away copies of the New Testament to members of the public. In partnership with Fusion, Bible Society, NDOPW, Street Pastors, Jesus March, Share Jesus International Ministries and the London Mission Collective, it was a truly remarkable day.

Following the event, a Bible will also be presented to the Speaker of the House of Commons, and a Gospel of Mark will be given to every MP. We are grateful to everyone who prayed and participated, and ask the Lord for every seed sown to bear fruit!

"To have young adults on the street along with others handing out the word of God sends a powerful message."

(Martin Durham, K180 director)

SHORT-TERM TEAMS

A team of young people and their leaders from Indian Rocks Christian School, Florida, came to join us for a week of evangelism training and practice. We absolutely love this team and are grateful to God for the way in which He challenged them, encouraged them and grew them during their time with us.

A large number of Gospel conversations played out, and each member of the team jumped up on the red box to proclaim the good news of Jesus Christ publicly.

Please pray for these young people now back home in Florida as they seek ways to put into practice what they learned in London.

"I felt more connected to God by hearing some people's testimonies and communicating with people about God."

(Jordan, IRCS Student)

"I liked seeing that it is not impossible or hard, and you can have [Gospel] conversations easily."

(Aubrey, IRCS Student)

"[I enjoyed] being able to share the word with a man named R*, I could see his inner struggle."

(Ruthie, IRCS Student)

LONDON GO AND ALLEZ PARIS

LEICESTER SQUARE

God enabled us to grow the London GO mission this year by spreading to Paris! We are so pleased to introduce the all-new, 'Allez Paris' mission!

Building on our annual London GO mission, run in partnership with OAC and Angel Church, where a team of over 40 evangelists proclaimed the Gospel around the properties on the London Monopoly board, Allez Paris was run during the same week around properties on the Paris Monopoly board. Both mission teams were involved in many divinely orchestrated conversations and saw several people choosing to follow Jesus!

REGENT STREET

"A young man at Trafalgar Square read the first verse of John's Gospel aloud. It was amazing to see him take the Gospel with him after we discussed creation and sin."

PICCADILLY

The story of Michael* in London

Michael listened to a Gospel message with his family. As he walked away, a member of the team asked him what he thought of the message. He replied that he had gone to church for a long time but realised today that he had never been born again. He said, "Do you think I could be born again today?" The team went through the Gospel with him and told him that he could indeed be born again and so led him to Christ. Michael said he felt such joy in his heart and could not wait to go back and tell his home church what had happened, as they would be overjoyed to hear it!

BIG 6 MISSION

Following last year's trip to Scotland for The Big 5, this year we took things one step further with The Big 6 heading out across the nation of Spain!

We had a team in each city: Barcelona, Madrid, Benidorm, Girona, Malaga and Seville. Each team spent time with the local church, bringing training, encouragement and ultimately going out into their local neighbourhoods to proclaim the gospel to those who would listen.

Each team took a different approach relative to the culture. Our friends from Good Hope Portugal performed in the streets of Seville whilst the team in Benidorm engaged in about 300 conversations with expats and holidaymakers! The team in Madrid did some stadium and street evangelism, whilst in Malaga they preached on the beach! The gospel was heralded on the streets of Barcelona, and in Girona the team went to the marginalised to share the hope of Jesus. We praise God for much fruit and encouragement of believers across Spain.

Seville

Barcelona

Malaga

"What touched my heart the most was seeing the unity and passion of the local church in welcoming us and working with us. It was contagious to see so many young people involved—stepping outside the four walls to bring the love of Jesus to the squares."

(Mariana, Team member, Seville)

Girona

"We spoke with a man called Edward* a drug dealer who had previously been in prison. He became quite emotional as we shared the gospel, but he didn't want to commit because he is still selling drugs."

(Team member, Girona)

The Story of Sarah* in Madrid

Sarah had just moved to Madrid from the Far East. She said that she was struggling with loneliness and hopelessness … As Sarah heard about Jesus [via a translator app], she was moved to tears and said she wanted to follow him. The team led her to Jesus and invited her to church. She was afraid to go because she didn't speak Spanish, but the team encouraged her because the church was welcoming, and they were having this conversation over a translator anyway!

HISTORY MAKERS

The History Makers leadership training programme continues to grow in Europe as both young leaders and senior leaders are trained and equipped in the eight core values of effective leadership. Here is a taste of what's been happening across Europe over these past months...

Slovakia

In May, History Makers Slovakia launched with a significant moment when a local shop owner came to faith after hearing the Gospel from members of the leadership team. This set the tone for the whole weekend!

"For me, this was a valuable time to reflect on my previous ministry. I recognised areas that were handled well and other areas where I can continue to grow through this training. This season of education and reflection will strengthen my opportunities to serve as a more effective Christian Pastor and leader in the future."

(Participant)

Italy

This training in Sicily has brought renewed momentum to HM Italy. Participants were open and eager to grow, allowing the teaching to shape personal habits and ministry practices. The dedication of the local leadership team has played a key role in re-establishing HM in Italy after several years of pause.

Armenia

Participants from five churches gathered in March for a week of high engagement, with one participant even spending many of her breaks contacting ten friends to share what she was learning. The atmosphere was characterised by warmth, hunger, and a readiness to apply the teaching immediately.

"I have learned more in the last 2 days of this training than I can remember in my studies before."

(Participant)

History Makers also took place in:
Romania, Czechia, France, Georgia, Belgium, Turkey and an undisclosed location in Europe. Further training is scheduled in multiple countries during Autmn and Winter 2026.

HM EUROPE SUMMIT 2026

In April, 81 participants from 21 European nations gathered for our latest HM Europe Summit.

This was a time to reflect on ministry, celebrate what God has been doing, and to look ahead with renewed vision and the shared purpose of seeing the Gospel advance. Meeting in Malenovice, Czechia, the site of our longest running HM training, made this an extra-special gathering as we also celebrated the 20th anniversary of HM in Europe! The Summit served not only as a celebration of two decades of leaders equipped, ministries launched, churches planted and the Gospel proclaimed across Europe and beyond, but as a renewed commitment to the mission before us.

"Before the Summit I had many self-doubts about becoming a full-time evangelist, but there I heard God clearly confirming His call."

(Andreas, participant)

EYE NETWORK

Our hearts are filled with gratitude as we look at what the Lord has done this year. Training has continued in Spain, the UK, Armenia, the Balkans and Germany; and in-person Francophone training also began last October and has continued this year. We keep seeing how God strengthens evangelists in their calling and equips them to serve their churches and communities with greater faithfulness. And the Lord has also opened new doors! Each step reminds us that He leads His work and continues to call workers into His harvest field.

Georgia

After a period of pause, trainings in Georgia have been resumed and, alongside brothers and sisters in-country, we are once again supporting new evangelists as they grow in their calling and seek to serve the Church faithfully in their context. We trust that God will continue to guide this new season and use this training to strengthen evangelists.

Ukraine

We are grateful to God for the start of online training for evangelists in Ukraine this year. In the midst of war and uncertainty, a group of believers has chosen to prepare themselves to continue sharing the Gospel wherever God has placed them. Walking alongside them, even from a distance, is a true privilege and a reminder that nothing can stop the advance of the Good News of Jesus.

"These trainings had a very important impact on me and also on our church. We were able to experience unity together for three days. They reminded us as a church that it is not one man's job to do everything, but that we, as a community, build one another up and do the work of God together. We were greatly encouraged by these trainings to meet our beloved teachers and to share our love for one another so that we can show the world that Father God is with us."

(David, participant)

Italy

If God allows it, next October we will begin a new training in Rome in partnership with the ministry Jesus Revolution. We are very thankful for this opportunity to work together and serve the Church in Italy.

"This weekend has really opened my eyes. It's been like waking up from my dormant Christianity."

(Participant, Red Timoteo, Spain)

Portugal

In Portugal, we are building relationships with local people and taking the first steps to explore the possibility of starting a training in the future. It's early days but we are thankful for the conversations already taking place and for the doors God seems to be opening. Please pray that the Lord would continue guiding each step and give us His wisdom.

All for Jesus

As we reflect on all that God is doing, we are reminded that our desire is not simply to start more trainings or reach more countries. Our longing is to see more men and women responding to God's call to faithfully proclaim the Good News of Jesus. This is only possible because the Lord is at work. He opens doors, He calls, He sustains, and He transforms lives. We are simply workers who, by His grace, have been invited to take part in His work and to labour alongside Him. Thank you for praying alongside us. May God be glorified.

THE JOURNEY

Many churches readily admit that they struggle to develop an 'evangelistic culture' within the life of the church, although they yearn to see this happen. Often the demands of church life, the pressure on time, and all manner of distractions mean that taking time to develop an evangelistic thread through all that we are and do is neglected. 'The Journey' is a 12-month partnership designed to help churches grow such a culture.

K180 invests 12 months alongside a partner church. Two key components of this are placing a K180 trainee at the church and initiating regular outreach into the community. It has been a very encouraging few years partnering with churches and seeing the Lord stir fresh fervour for sharing the Gospel.

Our 'Journey' trainees, Andreas, Shahen, and Ben, have had a tremendously encouraging year. Alongside the ministry opportunities, regular proclamation outreach, and theological training throughout the year, it has been exhilarating, by God's grace, to see their evangelistic efforts having real impact in their assigned churches. As well as seeing individuals within the churches having their passion for the lost kindled, new evangelistic initiatives have been birthed which are already bearing fruit… a new evangelistic café, a football outreach, a new youth ministry to name a few.

Please pray for...

- Andreas, Shahen, and Ben as they move on to new things, each of them now to lead the evangelism efforts in their home churches
- Our new intake of trainees, arriving late August

PARTNERSHIP THROUGH GIVING

Firstly, thank you very much for your interest in the ministry of K180. We are thankful to God for our partners in the Gospel. Whether you already give or are thinking of giving, we trust that this newsletter has encouraged you. Our website naturally carries more information, and all that you read of would not be possible without the support of those partnering with us financially.

We are grateful for every donation. Every penny makes a difference.

Regular giving is of particular help as this helps us to budget effectively. If you are considering partnering with K180 financially, you might find it helpful to see an outline of our core projects which can be found at:

Core projects: **www.k180.org/projects**

We have much expectation of God as we look ahead. The need is great and there are many opportunities before us, doors we believe the Lord has opened. Ministry has notably developed and accelerated in 2026 (this newsletter and the link above give a glimpse into that). We have a great team who are working hard, under the Lord, and it is a team that needs to be added to. A strengthened team will enable us to press forward with much purpose, taking the Gospel opportunities before us that are in line with His call for this ministry. We want to be found as obedient to His call as we yearn to see His purposes fulfilled in these days.

LOOKING AHEAD...

This is a special year for the ministry of K180. In April, we celebrated 20 years of History Makers. By the end of this year, we will surpass 10,000 leaders verifiably trained across 370 events in 28 European countries. This summer sees the 30 year anniversary of the street ministry in Ealing Broadway: where it all started, the seed for K180. And later this year, we will mark 25 years since the birth of the K180 ministry itself. I was reflecting on 1 Samuel 7:12 where Samuel set up a stone 'and called its name Ebenezer; for he said, "Till now the LORD has helped us."' This is true for K180. As I often say to our team, we are but stewards of this ministry for a time. It is His. All glory to God!

Proclaiming the Gospel in Ealing Broadway

Our vision: Europe ablaze with the Gospel

Our mission: Alongside Gospel partners and with the goal to strengthen the local church, K180 is committed to, and facilitates, the proclamation of the Gospel, and the training and mobilising of young leaders and evangelists to reach their nations with the Gospel of Jesus Christ.

Thank you for taking time to read this newsletter. We appreciate your interest in K180. As you remember, please pray for us, and if you sense the Lord prompting you to support the ministry financially, please see details of how you can do this on page 15 or, if you have any questions, please feel free to email me at **martin@k180.org**. We are looking to the Lord for more regular financial partners as we press ahead, eager to be faithful to His call.

Many blessings in Jesus' Name, Martin and the K180 team
