INTRODUCTION

Europe ablaze with the Gospel. This is the God-given vision of K180. This is impossible in our own strength, but we believe that God will take our weak efforts, and those of like-minded ministries, and achieve something that goes beyond the realm of our expectation. We are thankful to God that we do not journey alone, and this book is borne out of a desire to encourage our ministry partners: that their investment in prayer, time, finance, spiritual gifts and so much more is not in vain.

We have amazing partners in the Gospel. Some of whom you can read about within these pages, others who have given so generously, and others who are only known to a few as they kneel each day in their place of prayer. We have an amazing K180 team with incredibly supportive families. But, most of all, we have a truly Amazing God.

The Gospel task is urgent and we each have a part to play in proclaiming Jesus: bearing the message of the cross to a sick and dying world. May His message truly burn within us. My heart is full of gratitude as I read through these pages. May each testimony within warm your soul and fuel your expectation of God in these days.

MARTIN DURHAM
DIRECTOR

Then I said, "I will not make mention of him, nor speak anymore in his name." But his word was in my heart like a burning fire shut up in my bones; I was weary of holding it back, and I could not.

And surely I am with you always, to the very end of the age.*

STREET
MINISTRY

“Our partnership with K180’s teams and training events has been a source of encouragement, education, and new ideas for churches in Georgia. The ministry teams, which head out to the streets and villages, have learned creative methods for outreach and personal evangelism. We have seen many individuals become passionate about sharing the gospel after being equipped by K180 training. We are thankful to be a part of such a big network of evangelical ministries across Europe.”

RACHEL HARDGRAVE

TBILISI, GEORGIA

“Without K180 we would never have been able to achieve so much. We have been so blessed to see the church mobilised for mission, with young and old taking seriously God’s call to evangelise. K180 not only helped unlock God’s vision for street outreach in Romford, but also provided the training and support to make it a reality.”

BEN POCH, LEADER AT REGENERATION CHURCH

ROMFORD, ENGLAND

“K180 was a springboard to helping us get going with weekly evangelism, and they continue to act as a support and inspiration for what we do.”

ALEX SHODERU, LEADER OF KING'S CROSS UNITED OUTREACH

LONDON, ENGLAND

“I love the humble attitude of Martin and the K180 team. They didn’t come to change us, but to help us in our ministry. We learned how to share our faith in a creative way, and they became very good friends to us.”

ANDRÁS BARTHA, CHURCH LEADER AT BIBLIA SZÓL

SZEGED, HUNGARY

“One evening, whilst my wife and I were walking towards home, I noticed someone standing on a stool in a corner of a pathway, talking to people. She was a young girl around 18 or 19 years old. I was curious to understand what she was talking about and why she was there, because I never saw anything like that in [my home country]. So, we stopped and I came a bit closer. I heard she was speaking about God, Jesus Christ and our relationship with Him as a Saviour. It was especially interesting to hear these words from a young girl of her age.

For as long as I can remember, I always believed in God, whom I called Allah, and Jesus was only considered a prophet to me. I was born into, and grew up in,

a Muslim family, but I had so many questions in my mind that I was unable to ask when I was in [my home country]. So, I thought it would be a good time to know more and get an answer from someone who does not have a Muslim background, especially someone with a strong faith but younger than me.

I spoke to her regarding Jesus and she kindly answered. She also told me about [a church] where I can meet her and other believers on Sunday if I still have more questions. So, I attended a service on that Sunday evening in 2011 and still I am going today.

I then realised it was not enough to just know about Jesus, but that I needed to

know Him, personally. My wife and I did accept Jesus Christ one Sunday in 2014 and placed all of our faith in Him and His work on the cross, and were baptised. I will always be grateful to Grace who invited me to attend [my home church].”

*Names have been changed.

“I first came across K180’s ministry through the Emerging Evangelists’ Institute. I continued to keep in touch with Martin Durham who I admire as a dynamic leader and one whose humility is captivating. K180 have since become a close gospel partner. We have ministered in festivals, celebrations and missional opportunities in Scotland.

We are very thankful for the ministry of K180 and their passion for the gospel and lost souls. We are thankful for K180’s leadership and vision to equip young leaders who have a passion to serve God across Europe.

We recently hosted a mission to Edinburgh as part of the Fringe Arts Festival, where K180 staff ministered alongside us on the streets of Edinburgh sharing Christ.”

ROBERT BELL, DIRECTOR OF THE HERALDS TRUST &
LEAD PASTOR AT CROSSPOINT COMMUNITY CHURCH

LIVINGSTON, SCOTLAND

“A few years ago, I met the ministry of K180 as they came to Barcelona for the Festival of Hope (BGEA) and we got connected! For the last 4 years, we’ve had the blessing of having a team visit us every summer doing street evangelism and teaching some key pointers on how to preach the gospel effectively, using elements of common life!

Partnering together for the Kingdom has been an amazing experience. We’ve seen people giving their lives to the Lord, and an equipping of the church as they’re motivated to fulfil the Great Commission. We are looking forward to what the Lord has in store for us as we keep on working together for His Kingdom.”

TRAINING EVANGELISTS

“Never has there been a time when young evangelists are more needed to boldly proclaim the Gospel in the 21st century. The EEI (Emerging Evangelists’ Institute) will put young evangelists on the starting blocks to make them become world class evangelists in record time and empower and equip them by learning from the masters.

The EEI gave me help with my lack of confidence, I found a new flow and power in communicating the Gospel. I had a greater understanding of cultural backdrops which were vital to the success of my ministry in a wide variety of settings. The great thing about the course is that it gives opportunity for hands-on application.”

PAMELA STEWART, LEAD EVANGELIST AT THE WELL CHURCH CAMPUS

ANSDELL, ENGLAND

“The Emerging Evangelists’ Institute (EEI) course really helps confirm, channel, refine, and fan into flame a young evangelist’s passion for proclaiming the Good News of Jesus. This is achieved by providing biblical and practical evangelism training within a group of people who share the same passion. The course greatly helped me not only by confirming my own calling as an evangelist and equipping me for the work ahead, but also by opening up opportunities to share Jesus and equip the Church for the work of ministry in places I would never have imagined.”

JAMES RICHARDS, LEADER/EVANGELIST AT HILL CITY CHURCH CAMPUS

PONTNEWNYDD, WALES

“I can still remember the day I found out about the Emerging Evangelists’ Institute (EEI). I could not be more excited knowing that such a unique programme for young evangelists like me existed. EEI helped me tremendously in many ways: it helped to confirm and clarify my calling as evangelist; I received high level teaching and resources that helped me sharpen not only my skills as evangelist, but also my character. Through EEI, God made my heart burn even more for the proclamation of the Gospel. It was so important to my life and ministry that by the time my wife and I moved to Spain, we thought that this nation would also be greatly benefitted by a similar programme; we were so encouraged

by Martin’s full support and similar view. EEI was surely the main inspiration and model for RedTimoteo in Spain.

RedTimoteo is the only programme and network for young evangelists in Spain. Many young evangelists from different regions have been identified, received clarity on their calling, become more committed to their vocation and received a broader vision of God’s mission in Spain. They have grown in their maturity in Christ and Bible knowledge, consequently impacting the lives of many more in the different contexts they serve (including universities, high schools, TV and radio, churches, workplace, etc.). RedTimoteo

has literally become a growing family of young preachers impassioned about the spreading of the Gospel.”

HÉLDER FAVARÍN,
LEAD PASTOR AT C29 CHURCH

GRANADA, SPAIN

Ámundi first met the EEI team on the streets of Reykjavik...

“I joined them and was intrigued by their boldness and audacity. I later asked them for training and eventually attended one of their courses in the UK which had a big impact in my life.

The EEI training helped me to realise the importance of getting to know other evangelists, and the church stepping out and bringing the Word to people. I was inspired to start a similar training in Iceland. God did far more than I expected. After the first EEI cycle concluded, we were amazed and thankful to God that EEI had helped birth a group of Icelandic

evangelists called Eldhugar (known as ‘*The Fire Department*’ – starting fires!). This is a monthly meeting of evangelists, seeking God and finding ways to reach Iceland.

The Fire Department...

- has started a prison ministry
- regularly sends a team of evangelists to support a small church outside Reykjavik in its outreach.
- operates an Open House, reaching out to teenagers with love and the Word of God.

The Fire Department and K180... with such teamwork, we allow the Holy Spirit to inspire us and take us forward.

I am pleased with the empowerment we receive from K180. It gives us an international perspective and empowers us in the work set before us in advancing the Kingdom of God.

Blessings from the land of ice and fire.”

BEHOLD EUROPE

Behold Europe was launched in November 2019: a gathering for young European evangelists for a time of encouragement, equipping and envisioning. We welcomed evangelists from 12 different countries for the weekend held just south of Barcelona. With a clear focus on the proclamation of the Gospel, we were challenged by His word, called upon His Name in prayer, lifted our voices in song, dreamt of what God is able to do in Europe, and were inspired and equipped as we strategically work together in the days ahead.

Here at K180 we believe that the raising of evangelists is a key strategy for Europe:

young evangelists with a burning desire to see Gospel impact in our day. Though the heartbeat of the conference was gathering graduates and participants from the various EEI (training evangelists) groups across Europe, we welcomed many other young evangelists from different parts of Europe with the intention of being spurred on in what the Lord has called us to – to preach Jesus Christ and Him crucified.

We were thankful for superb input from invited speakers, each one an evangelist with a wealth of experience, who brought solid biblical teaching and whom the Lord used to stir each one with a fresh sense of urgency for the Gospel task in hand.

We believe this was a strategic move for Europe which will result in Gospel transformation in the coming weeks and months!

“During the first session in Barcelona, God pierced me with His word that being an evangelist is a calling, not a choice. I am an evangelist, this is my mindset, this is my DNA...”

HISTORY MAKERS

“Year after year, we receive feedback from participants on how God used the History Makers conference to draw them closer to him, how they discovered the next steps for their ministry and how evangelism became their passion again. To quote just some of them:

“God assured me of what his mission is for me and showed me how to start fulfilling it. Honestly, I’m very excited. I even have to say – and I am saying this gladly – that this was the most beneficial conference I have ever been to.”

“The conference gave me a new passion for ministry and a desire to give myself over to God, so that he could work in, and accomplish his work through, me.”

“God allowed me to know his love for me and also to know his love for his people in the church.”

This is the reason we keep running History Makers in the Czech Republic – God works in people’s lives during these special weeks, teaches them to seek him and to be better leaders. And the same applies to me – the eight core values became something I deeply believe in and want to follow from the first one to the last.”

**TOMÁŠ KOLMAN, PASTOR
ELIM – SBOR CÍRKVE BRATRSKÉ**

OPAVA, CZECH REPUBLIC

“From discerning my God-given vision to building intimacy with God, History Makers has been an invaluable part of my discipleship journey. With good quality teaching on eight core principles of biblical leadership, History Makers has been pivotal in helping me to have a deeper relationship with God and a better understanding of my unique role in His mission of restoration. Seven years on from completing my own personal History Makers journey, I am still drawing on the rich and well-developed teaching materials; it is truly one of a kind. I love History Makers’ heart for multiplication

and kingdom-building: in fact, it gives its material away for free. Girls’ Brigade Europe has benefitted from History Makers’ heart for collaboration. A number of our members have attended and we’ve seen the fruits of this unique discipleship journey in their lives.”

DR CLAIRE RUSH,
GIRLS’ BRIGADE EUROPE CHAIR &
INTERNATIONAL VICE-PRESIDENT OF
GIRLS’ BRIGADE INTERNATIONAL

 CARRICKFERGUS, NORTHERN IRELAND

“History Makers helped us realise how all aspects of our lives and ministry need to be deeply rooted in God Himself and our intimate relationship with Him. We need to fight for growing in love and spending quality time with God for any of our aspirations to make sense. In addition to being inspired, equipped and mobilised to pursue God’s calling, we were encouraged to take immediate action which made it all so much more practical. As a result, numerous participants – young, emerging leaders – found their sweet spots and became very active in their churches and communities.

I particularly like that History Makers is so broad in scope – it embraces all the most important areas of life and helps to build a framework of thinking around them. It’s about setting targets but also providing the tools and support to achieve them. At the same time, we acknowledge the obstacles awaiting us on the way and stress how desperately we need to lean on God to finish well.”

PAULINA KRÓL, HISTORY MAKERS COORDINATOR

KRAKÓW, POLAND

“What was supposed to be yet another Christian conference, turned out to be how God would turn me around and speak about the calling He had for my life.

I grew up in a culturally Muslim, but practically Agnostic, home. When I was in 2nd grade, my older sister became best friends with a Christian girl and she invited us both to church. It was during a Sunday School meeting when I asked Jesus to be my best friend and keeper of my heart. Since then He has never let go of me, even when I have tried to get away from Him quite a couple of times.

I went off to a Christian college in Lithuania. It was my sophomore year

when I started to let one little thing slip, which led me to another and before I knew it, I had an issue of even calling myself a Christian. I had run away from Jesus before, this time though, I couldn't find my way back.

I went to the first History Makers journey in Lithuania, little did I know it would be the place where God would re-ignite the fire in my heart and zeal for Him. On the second day, during the evening worship session, God gave me the strength to confess my sin and surrender everything into His hands. For the rest of the week, it was one miracle after another, one whisper after another, and at the end I had my vision and calling. By the end of the week there was one thing that I was more than

certain of: we had to have History Makers in Albania. So, I took the insane initiative of telling Martin Durham exactly this: 'Hey, you should consider having History Makers in Albania'. I definitely did not expect him to follow through with it. But he did! And currently History Makers Albania has been running for 5 years already. God has provided and blessed me with a tremendous team and each year He makes the impossible possible!”

INA YZEIRAJ,

“Conocí el material de ILI y History Makers con 24 años, en un momento muy importante de mi vida, faltando 10 días para contraer matrimonio y dos meses antes de iniciar el ministerio como pastor. Han pasado casi 11 años desde que conocí el material por primera vez y le agradezco a Dios por la oportunidad de aprender los ocho valores que han sido tan importantes en mi matrimonio y ministerio.

Desde que conocí el material me propuse compartirlo a todos los que tuviera oportunidad y así es como desde hace ocho años he trabajado en la organización de jornadas nacionales y regionales en España y he colaborado para llevarlo a otros países de Europa y America central, con el deseo

de que mas líderes jóvenes conozcan el material y sean retados por el Espíritu Santo para hacer historia en sus ciudades así como yo lo fui en su día.”

“I got to know the material of ILI and History Makers at the age of 24 – at a very important moment in my life, which was 10 days before I got married and two months before starting in ministry as a pastor. It’s been almost 11 years since I first experienced the material and I thank God for the opportunity to learn the eight values that have been so important in my marriage and ministry.

Since I experienced the material, I decided to share it at every opportunity and for eight years I have organised national and regional training events in Spain. I have also collaborated with others to take the training to other countries in Europe and Central America, with the desire for more young leaders to know the material and be challenged by the Holy Spirit to make history in their cities in this day, just as I was 11 years ago.”

SAUL VALLE, LEAD PASTOR AT ELIM MADRID

MADRID, SPAIN

“I was just a sixteen-year-old girl when I found myself attending a History Makers conference. I couldn’t really understand why God wanted me there, nor did I feel worthy, or qualified for that matter. But God had other plans in mind. By that point in life, I had already been serving in church and knew a lot about God, as much as a sixteen-year-old can know, but that week was the first time I met God one on one. I still can’t find the words to rationalise it, but it was a moment when He invited me to a life of full obedience and trust. I gave Him all I had, realising for the first time I have nothing, only Him, and my life changed. Most importantly, I will never forget my heart breaking over my country, my nation, and I decided to spend the rest of

my life only for the glory of Him, loving Him by serving Him right here at home. History Makers didn’t just change my life, it changed the lives of my friends who now serve the Lord and have a calling to serve in our country, too. Forever will I be grateful for what God has done in the lives of a couple of teenagers through one conference.”

TEA ŠESTAK,
HISTORY MAKERS COORDINATOR

VARAŽDIN, CROATIA

In June 2019, the History Makers movement across Europe came together for a special fundraising event: 'The Bold Obedience Walk For Life'. Starting in Auschwitz, Poland, and concluding in Malenovice, Czech Republic, participants walked 107km in 3 days to raise funds for the training of young leaders across Europe.

After beautiful sunshine for most of Day 1 we fell 6km short of our intended destination due to sudden torrential rain, making it unsafe to walk any further. This delay meant that we needed to cover a mammoth 48km on Day 2, which was extremely exhausting for everyone, but the Lord gave us His strength. Day 3 started in the border town of Cieszyn with very sore feet, and we were definitely counting down the kilometres! Our route took us over all sorts of terrains; from main

roads to mud tracks, through villages and towns, across fields, up steep hills, and over streams, including navigating a deep trench in the shadow of a motorway! Some team members struggled with injuries and strains, but people gave generous support to one another, both physically and mentally, creating a wonderful team spirit.

As we walked, we prayed for the nations of Europe; both for countries in which History Makers journeys are happening,

and where they are yet to be inaugurated, and when our feet ached and we felt exhausted, we sang and praised, sometimes in several languages simultaneously! The fellowship and encouragement we shared was precious, and laughter kept us going. Our Polish 'ground team' supported us ably, driving a supply vehicle with water and food to each rest stop on the route, providing much needed relief. The sense of thankfulness and team achievement when we reached Malenovice was wonderful as we gazed out over the view and praised the Lord for His faithfulness.

EQUIPPING THE CHURCH

“As a church and a Young Adults ministry in the heart of London, we have benefitted immensely from the ministry of K180 and, in particular, its founder and director Martin Durham, who has imparted from his grace as an evangelist whenever he has visited. We recently took part in a joint outreach with the K180 team in our local area, which we found both encouraging and instructive in the ministry of reaching out to the community. We are very grateful for the ministry initiatives of K180 and will continue to partner with them to help take the good news out to more people and faster.”

DR EPHREM SAHLU, YOUTH AND YOUNG ADULTS PASTOR AT
ETHIOPIAN CHRISTIAN FELLOWSHIP CHURCH

LONDON, ENGLAND

“We are tremendously grateful for the opportunities that K180 has opened up for our church to be involved in evangelism, training and missions both at home and abroad. We love their heart, passion and integrity for the gospel. This is a highly valued partnership which serves our vision of equipping the saints for works of service.”

KEVIN VICKERS, PASTOR AT ALL NATIONS REVIVAL CHURCH

MITCHAM, ENGLAND

“We had been looking for a course that would develop our potential leaders in their personal walk with God. ‘Christian to the Core’ was chosen because of its emphasis on application and firm spiritual foundations. The course lasted 10 weeks and the feedback from those who participated was excellent. We have now decided to make ‘Christian to the Core’ an essential part of our discipleship training programme. We have no hesitation in recommending this course.”

TRAINEES

“I am an evangelist serving in Lusaka, Zambia. I have my own ministry called Africa Evangelism Ministries, which includes large scale evangelistic outreach. This is made up of crusades, open air field evangelism, the Jesus Film, training and equipping of evangelists and pastors, translation of discipleship materials, and equipping the body of Christ across the nation through the use of electronic means. We use Wi-Fi points and SD cards containing a full pastoral reference library, discipleship and evangelism materials. Martin and K180 trained and disciplined me for evangelism. I would not be doing what I am doing if I did not get the training, help and connections from them. Martin and Armond have been a huge support, encouraging me to continue in evangelism,

supporting and mentoring me, and helping me to fulfil the call of God on my life. Martin has been the biggest influence spiritually I believe in my life – especially for evangelism. I am very thankful to God for him.”

MARC RANDALL

ZAMBIA

“I was based in London for a year as a trainee with K180. I was honestly quite surprised to find myself becoming a street preacher for a year, as previously I was quite sceptical of the importance of street ministry. However, I was challenged to share my faith so I wanted to give it a go. While with K180 I found myself becoming more and more excited by the idea of sharing our incredible gospel and thinking, how could I keep something so amazing as God’s love from people? My time with K180 had a huge impact on my life, I found I was encouraged in my giftings, grew in confidence, and discovered a passion for sharing the gospel to all. Above all else, K180 taught me the importance of having an intimate

relationship with God and seeking Him first. I will be eternally grateful to K180 for all their support and continued encouragement to me not just in this year, but in my ongoing journey.”

JENN SYMINGTON

“I first came to be involved with K180 through my church here in Houston, during the summer of 2016. During that stage of my life, I felt dispossessed and betrayed by God as I had just been uprooted and moved 800 miles across the country. I felt like God couldn’t possibly have a plan for me. I hadn’t yet taken my faith as my own or shared it in any practical way, and was unsure that God was the most important thing in my life at that point. However, praise be to God, my entire walk with Jesus was absolutely shaken to its core during my two weeks with K180 that summer. I was trained for, and thrown into, situations where people were asking me hard questions about what I believed. I found that teaching and sharing something is the best way

to fully learn and understand it. This opportunity to share the Gospel, and give my testimony to complete strangers on the streets, instilled in me a deeper understanding of the Gospel than any book or sermon ever could.

Since then I have taken roles in leading worship within my church, and for a Christian organization at my school... I have grown in my faith in other ways I never could have imagined. I now have no hesitation when someone asks me about my faith, and have grown in seeing people as Jesus calls us to, learning how to love them better as a result. Two summers later, I had the privilege of participating in Kschool, a 6-week training program to develop young adults in their ability to

share the Gospel and be witnesses of Jesus Christ. This experience took me to four countries to spread the good news of Jesus, and the discipleship, leadership, and love I experienced from the K180 staff was the clearest picture of Jesus’ love I have ever had the joy to witness. I grew even more in my ability to share about Jesus, and was hugely refreshed and reminded of God’s sovereignty over my life and His people. I now thank God for that move across the US because of the opportunity it gave me to work with K180, and I believe in, and pray for, their vision of seeing Europe ablaze with the Gospel.”

“I am based in Bohumín, a town close to Ostrava in the Czech Republic. I work with Josiah Venture Czech as a Manager of Education and also as a Lecturer of Gospel to School programmes. In Bohumín I am involved in outreach, disciple-making and youth leadership, and help organize and teach at the meetings for middle-aged people. I am also part of a worship team in our church.

In 2015 I spent two months in London serving with K180. As a trainee, I could go to the streets six times a week and share the Good News with people from different backgrounds and points of view. The time in London became a huge blessing for me. I could grow in faith, in boldness, and improved some skills on how to ‘bring

the Gospel to all nations’. Since then, K180 teams from London have come to Bohumín to help us at outreach events. It reminded me of Acts 16:9, where a man of Macedonia was urging Paul saying, “Come over to Macedonia and help us.” Our church in Bohumín could receive such help. We are very grateful for that. We have been truly blessed by the K180 teams. While being in the streets our team was stronger, our young people learned how to evangelise and received some tools. The whole team has been encouraged by prayers, God’s Word and sharing practical ideas. God is good. I am so glad our paths (with K180) crossed and we got to know each other.”

MIRIAM PASZOVÁ

CZECH REPUBLIC

“K180 has an important place in my heart. Every time I remember the beautiful calling for my life, it reminds me of K180. Martin Durham asked me once about the purposes and dreams I had; it was the first time I would face reality as it is. Surely God prepared me when I was testifying with K180’s fellows. It was the first time I jumped up in a street pulpit. When people ask me how I preach without paper, I testify to such experience.

I believe I would never assume an active position in testifying and preaching without K180. In my reality, traditional churches never permit people to preach without being prepared in the seminary. Today, they can’t understand how it could be possible. Maybe K180 understands the value of a fired up heart for Christ. Nothing is more powerful than a child of God preaching with authority. For K180, preaching the gospel is a matter of faith. Preach with the heart, preach sincerely,

focus on the heart of the other and tell that Christ is risen. That is basically what is really important. I learned with K180 that the only important fact is that Christ came, lived with us, died for us, was risen by the power of the Holy Spirit and offers life to the one who believes. Thanks for reminding me of salvation K180.”

THIAGO PEDRO

BRAZIL

“I have the responsibility for overseeing the local and international mission efforts of our church, including the development of long-term partnerships with various organizations. We count K180 among our most valuable partners in sharing the gospel and doing the work of the Kingdom. The teaching and practical experience of evangelism provided by K180 has equipped any number of Faithbridgers to be more effective in sharing their faith. We are also enthusiastic supporters of K180’s work to develop the next generation of leaders

through History Makers conferences. Our participation in these conferences enables us to multiply our efforts at making more and stronger disciples of Jesus Christ. We are grateful for the opportunity to co-labor with K180 in the work of the gospel, and look forward to many more productive years in the future.”

K-ACCELERATE

K-Accelerate was a brand new initiative where 12 invited young leaders/evangelists, from 10 different European countries*, embarked on an 18-month advanced mentoring programme designed, by God's grace and with His leading, to accelerate Gospel impact across Europe. Running from September 2018 to March 2020, it proved a thrilling adventure as participants received one-to-one mentoring from global leaders, engaged with Europe-wide practical ministry assignments, fulfilled a mandate to invest in 3 younger leaders/evangelists, and had opportunity to present a new evangelistic project for funding. We are full of expectation as to what we will see God doing in and through these young lives as they work out what God has worked in, and continue to be faithful to His call.

*Participants were from Albania, Czech Republic, France, Latvia, North Macedonia, Poland, Romania, Spain, Ukraine & the United Kingdom.

“K-Accelerate has helped me grow, mature, improve the ministry that God has placed in my hands through His Grace, to have knowledge, to love, serve and open my eyes to new horizons. It has been a true honour to have had this opportunity...”

 **ADRIÁN GUILLÉN**, SPAIN

“The experience itself was very practical, I was not only learning by watching or listening, but I could teach, share, live it out, practise and learn from mistakes. I am very thankful for this journey because it has impacted my life in a way I did not expect.”

 **VELTA OSIPOVA**, LATVIA

“I believe that participation in K-Accelerate programme is one of the greatest privileges that God gave me.”

 **MATEUSZ MENDROCH**, POLAND

Having known Pasha for a few years, he was invited to participate in K-Accelerate and it was to have an immediate significant impact. As with all participants, a particular highlight was the assignment of a one-to-one mentor. All K-Accelerate mentors are proven leaders, drawn from across various countries, who sacrificially gave of their time and resources to invest in the next generation.

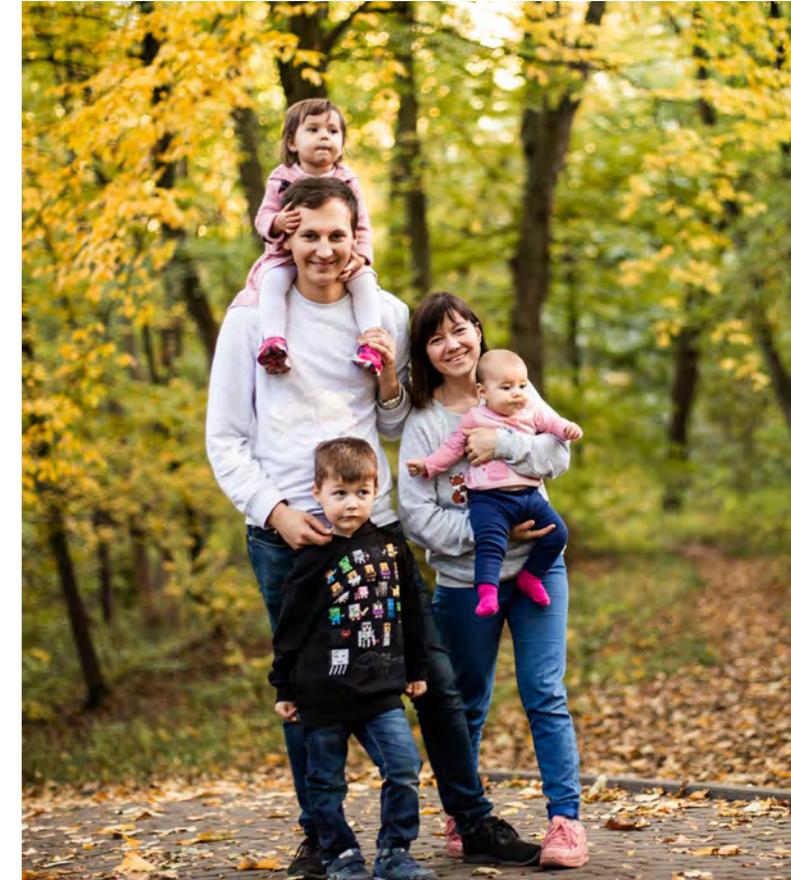

Pasha was recently appointed to lead the evangelism ministry at Living Word Church, Lviv, Ukraine.

“I can say that my life completely has changed. It was not just a project that I was attending to, not just books, not just conferences... K-Accelerate was a turning point in my life. I would say that K-Accelerate actually launched me in my ministry; it was very much like seeds sown

in my heart that started to grow and give fruits. The relationship with my mentor was essential, without which K-Accelerate experience would not be full. I could never imagine somebody to be my mentor as great as Kevin, he became my close dear friend, and I managed to love him as my father, even now, I’m still asking for his advice and mentoring.

K-Accelerate may have come to an end, but it’s just the beginning. It has launched things in my life, like a plane waiting to ascend. It’s like K-Accelerate has set on the engines... and the momentum of K-Accelerate is beyond my comprehension.”

 **PASHA SYVYK, UKRAINE**

Sara Pavlova was on our reserve list for K-Accelerate and when a space opened up she was quick to accept. We have no doubt this was God’s appointment! Sara was at a key moment in the early days of her call to ministry and the opportunities afforded by K-Accelerate, particularly the dynamic relationship with Laurel, her assigned mentor, truly were a catalyst for growth, both for her and for those she was charged with mentoring.

During K-Accelerate, Sara launched an internet outreach ministry, with her evangelistic videos attracting many thousands of views.

“Having a mentor during the K-Accelerate experience has been one of the best things... having a constant mentoring relationship and also mentoring others, trying to process all the things I have

learned and to share with them. The impact K-Accelerate has had on my ‘Timothys’ [those Sara was mentoring as part of the training] has been really amazing. One of the girls has been growing in confidence in her ability to do many things. She was once shy and afraid, but after going through this experience became so much braver, now serving in our church. I meet weekly with two girls now, with the goal of developing spiritually, holding each other accountable, sharing what is going on in our lives and growing together.”

SARA PAVLOVA, NORTH MACEDONIA

“I really enjoy Sara’s passion. This is something the K180 team did in selecting participants, to find people with passion. Sara has such a passion for her people and especially for online evangelism... We have a unique relationship and one that has been very rewarding for the both of us... we have had opportunity to bond as friends and to serve the Lord together.”

be honour and glory for ever and ever. Amen.*
